**10. PROBLEM SOLVING (Please use extra page)**

It is a busy day of the week. Your schedule requires you to divide your time between various school and pro-bono human rights tasks:

- Your Course teacher in Law 007 has given an assignment due in two days;
- The HRSS authority requires you to attend the preparatory session for mooting competition at HRSS from 6 to 8 and then 9 to 11. You are part of the team as a researcher ( you originally thought to use the post dinner time for exam preparation);
- You are part of the Adhikarbhumi Team from HRSS to make a field visit and obtain essential data for a presentation on Persons with Disabilities in Dhaka. Your deadline is in one week; and
- Your Law school is set to have Midterms on 6 papers from two days after HRSS is over.

How will you prioritize your work?
